

Christ Episcopal Church

Introduction

We are pleased that you are interested in having your marriage ceremony here at Christ Church. Marriages performed at Christ Church must conform to the Book of Common Prayer, 1979 of The Episcopal Church and the governance of Christ Church. The definition of marriage is found on page 422 of the Book of Common Prayer: "Christian marriage is a solemn and public covenant between a man and a woman in the presence of God."

The Canons of The Episcopal Church, say: "that it shall be within the discretion of any Member of the Clergy of this church to decline to solemnize any marriage", (Title I 18.4). Therefore, all marriage ceremonies are at the discretion of the Rector of Christ Church.

We hope that the information that follows will assist you in your planning your marriage ceremony. Please read it to verify that you to meet the requirements and then contact clergy.

Since marriage is considered one of the sacraments of the Church, Holy Communion is a normative part of the wedding service. The Episcopal Church allows all baptized Christians to participate in Holy Communion regardless of denomination.

Remarriage is permitted but must be approved by the Bishop of the Diocese of Southwest Florida. If you have been previously married, you will be expected to submit legal documents to the Rector of Christ Church verifying your divorce so he can submit these to the Bishop.

The sacramental understanding of marriage is found on page 861 of the Book of Common Prayer: "Holy Matrimony is Christian marriage, in which the woman and man enter into a life-long union, make their vows before God and the Church, and receive the grace and blessing of God to help them fulfill their vows."

Section 1 – Scheduling

Do not set a date without consulting the Parish Administrator. It is understood that Christ Church clergy and staff must have at least 90 (ninety) days notice of the expected wedding date. Remember that they have many other duties that may prevent them from performing a wedding ceremony.

It is important to remember also that Christ Church is not a wedding chapel that is rented. Our first priority is to be a place of prayer and worship. Our first consideration for marriage ceremonies is to our active members and their families. Next in consideration are Episcopalians where Episcopalian clergy has requested the use of the church for their parishioner. Special circumstances may permit a marriage ceremony for non-members. It is entirely at the discretion of the Rector whether he will allow for a non-member marriage to take place at Christ Church.

Christ Episcopal Church

We do not schedule weddings on New Year's Day (January 1), Epiphany (January 6), Lent (from Ash Wednesday through Holy Week - the actual dates vary from year to year), Easter, Memorial Day weekend, July 4th, Labor Day weekend, All Saints' Day, Thanksgiving Day (including the weekend that follows the holiday), Christmas Eve (December 24), Christmas Day (December 25), or New Year's Eve Day (December 31).

After contacting the Parish Administrator and approval from clergy is made, you will work with the Parish Administrator for arrangements.

Section 2 – Premarital Counseling

Premarital counseling is required by the canons of The Episcopal Church. At Christ Church this can be done with our clergy or a counselor from the Center for Spiritual Development. The Rector may also give permission for other clergy to do required counseling. If permission is given, written documentation will be required to be received by the Rector of Christ one month prior to the ceremony. The Rector may, because of the counseling, decline to celebrate the marriage at Christ Church. That is why the date for the wedding ceremony is always tentative until the Rector has completed the premarital counseling.

Section 3 – The Celebrant

The Celebrant will be the Rector of Christ Church or in rare circumstances an Episcopal priest (licensed in the Diocese of Southwest Florida) that the Rector may designate to celebrate. Non-Episcopal clergy may assist in the wedding ceremony if approved by the Rector. If clergy other than staff members of Christ Church are allowed to be used, they will not be reimbursed for their services by Christ Church.
